**Sub: Cordial Invitation to Participate in National Seminar on University-Industry Partnerships,
and
Industrial Exhibition on Appliances useful in Agriculture, Engineering, Renewal
Energy and household sector.**

Dear Sir,

I am happy to bring to your kind attention that Jagan Nath University, Bahadurgarh, Haryana is organizing one day National Seminar on **University–Industry Partnership towards Research, Development and Entrepreneurship – A Way Forward** on March 22, 2018 alongwith an exciting two days' **Industrial Exhibition on major and minor appliances useful in Agriculture, Engineering, Renewable Energy, Protocols in Management and Legal Sciences and Technology Interventions in Health Sciences** on March 22-23, 2018.

The purpose of these events is to create awareness among rural, urban and institutional communities about the emerging trends in science and technology and industrial evolution that our country is witnessing in appreciation of the Hon'ble Prime Minister major drive on skill development, enable Indians to contribute in 'Make in India' program, and for green, clean and self reliant Nation to be an industrial power to reckon with. It is an attempt by the Jagan Nath University, as an educational institution, to contribute to the cause of promoting scientific temper among youth and Nation building through providing a common platform for industry and the public at large.

The University is approaching the major industrial houses present in this region and residents of all the 256 villages falling in Jhajjar District to participate to ensure the success of this two days' Industrial Exhibition.

The enclosed Seminar Brochure and Exhibition Program are self explanatory of the philosophy and sequence of events.

I take this opportunity to cordially invite to you to participate in these events and contribute in the gigantic task with pious objectives of socio economic upliftment of masses.

Kindly confirm your availability so that we can make a befitting arrangement to receive your visit and seek blessings for our students.
