

## Physical Infrastructure

### Campus

Jagan Nath University, Bahadurgarh, Haryana campus is spread over 26 acres & its pioneer in using solar power in view of benefiting environment. The University campus is well developed having all the latest facilities and modern amenities to support high quality teaching, learning and research activities. The academic blocks are well equipped with fully furnished lecture halls/ tutorial rooms/computer center, library, seminar/conference halls, etc. to facilitate conduct of courses in a befitting manner. The campus has student support facilities like hostels, canteen, stationery shop, medical room, transport and student

activity centre. JNUB has made various additions in its infrastructure since its inception and strives for excellence in all fields. The University inspires students to develop healthy body and mind essential for personality development. JNUB also has dedicated sports facilities for the students. Both Indoor and Outdoor sports activities are conducted at regular intervals for the students to maintain their physical fitness.

### Class Rooms

The Classrooms at the University provide the most conducive atmosphere for dynamic and focused discussion and are a significant factor in creating harmony in the teacher student relationship. The AC classrooms with internet connectivity are well equipped with Hi-tech multimedia and audiovisual equipments to facilitate effective learning which sets the tone in stimulating discussions.

### Innovative Laboratories

The University has well equipped separate laboratories for teaching and research. Students use resources of the laboratories to solve problems, perform developmental experiments and work on projects guided by the faculty. By permitting longer hours lab facility and access to the network from each class room and lecture theatre, information is made easily accessible from any point within the campus. The University has developed adequate labs for various branches of engineering and Computer Science and other subjects.

## Computer Centre

The nerve line of the University, the IT Centre, precisely works on vision based action. It is future savvy so as to adapt itself for future changes. The IT labs have high speed i3. The Computer center is enriched with scanners, LCDs, laser printers, combo drives and Web- Cam for video conferencing and related purposes.

## Library

The library of the University is fully computerized, having DELNET and MANUPATRA Membership. It is a veritable storehouse of information with ample number of text and reference books, national and international periodicals and journals, thesis and dissertations. The library has a special collection of prescribed text books called 'Book Bank'. The library provides the latest research and reference material in print and audio-visual formats along with the facility to refer to e-journals, CDs, Project Reports, Government Publications, Reports and Newsletters, back volumes related to management, information technology, mass communication, science, engineering, law, architecture, etc. for the reference of the students and the faculty which help them in strengthening learning and teaching process. Keeping in mind the needs of the students, the multiple copies of the standard textbooks and books by well-known authors have been stocked.

## Hostels

The University has separate hostels for boys and girls. Boys hostel has a capacity of 75 seats and girls hostel with 70 seats. The hostel rooms are spacious, well furnished and are provided with 24 hours internet facility, reading rooms with dailies and magazines and additional indoor sports facilities. The hostels are equipped with generators/solar plant to provide 24 hours electricity supply. A round the clock security is enforced for constant vigilance and surveillance. Hostel Messes are run under the guidance of the Hostel Warden.

## Cafeteria

The Camps is having branded Cafeteria area which not only provides a vibrant atmosphere and unleaded fuel for the day but also put forth a new method of knowledge sharing. It is an innovative and informal method of learning where one can debate, discuss and deliberate over a cup of coffee and thereby actively nurture one's interpersonal skills.

## **Transport Facilities**

University's network of transport buses cover all nearby locations from Delhi NCR and local communities and townships lying within the radius of 50 kms. It is designed for the convenience of our students and staff members who are residing outside the campus. This ensures their personal safety, travel reliability and punctuality on the campus.

## **Medical**

Facility University Provide OPD facility equipped with necessary equipments for First- Aid, general check-ups and Ambulance facilities.
