## **Alumni Talk**

### **Introduction:**

Alumni Cell of Jagannath University, Bahadurgarh organized an Alumni Talk in collaboration with IQAC and IIC on 20<sup>th</sup> December, 2023 providing students with a unique platform to connect with accomplished alumni and gain insights into industry trends, career opportunities, and the skills needed to excel in the professional world. The event witnessed enthusiastic participation from both students and faculty members, eager to learn from the experiences of former graduates who have achieved significant milestones in their respective fields. We had an inspiring talk with our Alumni Mr. Sanchit Bhushan ( Legal Associate, S S Singh Associates in IPR law) Batch , Ms. Kritika Arora (Faculty of Law cum Counsellor at Success Mantra CLAT Institute) from Law Department and Dr. Rinku Yadav Physiotherapist, Rohtak from the Physiotherapy Department.

Students from both the departments attended the session with great enthusiasm and had their queries answered as to career, higher studies and placement prospects respectively. Our Alumni motivated the students and explained the strategies to apply at various levels of jobs in India and abroad. The session was very interactive and students participated with enthusiasm and questions were answered regarding career, higher studies and placement prospects, respectively.

### **Objectives:**

- To encourage the students for the development of their entrepreneurship skills and self-employment.
- To provide an insight to the students about the learning experiences of the Alumni.
- To encourage and nurture the interaction between Alumni and the institute for mutual benefit.
- To guide the students for professional development and higher education.

### **Conclusion:**

The session was very interactive and students learned a lot about how to go about preparing for the placements and achieving their career objectives. The session enabled the students to identify the skills needed for the different career options available and prepare for placement

sessions. The aim of the talk was also to provide an insight about the learning experiences of the alumni during university period.

#### **Introduction:**

Alumni Cell of Jagannath University, Bahadurgarh organized an Alumni Talk in collaboration with IQAC and IIC on 28<sup>th</sup> March, 2024. Our Alumni; Mr. Vinay, Mr. Geetak Kumar and Ms. Yashika from Department of Pharmacy (Batch 2019-2023) and Shivam from Department of Computer Science and Engineering (Batch 2019-2023), respectively. Mr. Vinay motivated the students and explained the strategies to apply at various levels of jobs in India and abroad. Mr. Geetak told about his experience in Jagannath University that helped him sharpen his skills in his field of choice by providing fully equipped labs where he could practice and learn. Ms. Yashika emphasized that the basics of subjects shall have its importance and students should be mastering their subjects well. Then, Mr. Shivam emphasized that students need to focus on knowledge of basic software applications like MS Excel, MS word and MS excel as these are minimum expected skills for any job. The session was very interactive and students participated with enthusiasm and questions were answered regarding career, higher studies and placement prospects, respectively.

#### **Objectives:**

- To encourage the students for the development of their entrepreneurship skills and self-employment.
- To provide an insight to the students about the learning experiences of the Alumni.
- To encourage and nurture the interaction between Alumni and the institute for mutual benefit.
- To guide the students for professional development and higher education.

#### **Conclusion:**

The session was very interactive and students learned a lot about how to go about preparing for the placements and achieving their career objectives. The session enabled the students to identify the skills needed for the different career options available and prepare for placement sessions. The aim of the talk was also to provide an insight about the learning experiences of the alumni during university period.

#### **Introduction:**

Alumni Cell of Jagannath University, Bahadurgarh organized an Alumni Talk in collaboration with IQAC and IIC on 28<sup>th</sup> May, 2024. Our Alumni, Mr. Vijay Kumar (Batch 2017-2021) and Ms. Sakshi (Batch 2018-2022) from Department of Agriculture, Mr. Sushant (Batch 2019-2022) and Ms. Sheetal (Batch 2020-2023) from Department of Management and Commerce, respectively. Mr. Vijay Kumar shared his four year experience at Jagan Nath University and explained how he qualified the CAT exam after graduation and got selected in NIAM, Jaipur. He advised the students to concentrate on B.Sc. programme's syllabus that included everything needed in agriculture field. Ms. Sakshi discussed the significance of college placement and stated that finding a job after study by ourselves is 2-3 times more difficult. She emphasized the need of strong communication skills. Mr. Sushant spoke about the hiring procedures in corporate sector and provided some resources for preparing for the aptitude and technical rounds. He also touched on what topics should be prepared for both quantitative and verbal abilities. Ms. Sheetal shared a few fundamental questions that are asked in every interview and explained how to appropriately cover the responses. She enlightened the participants on the recruiter's expectations, Resume structure and the significance of LinkedIn profiles. The session ended with a Q & A round in which all of the participants were able to express their questions, which were all effectively answered by our alumni.

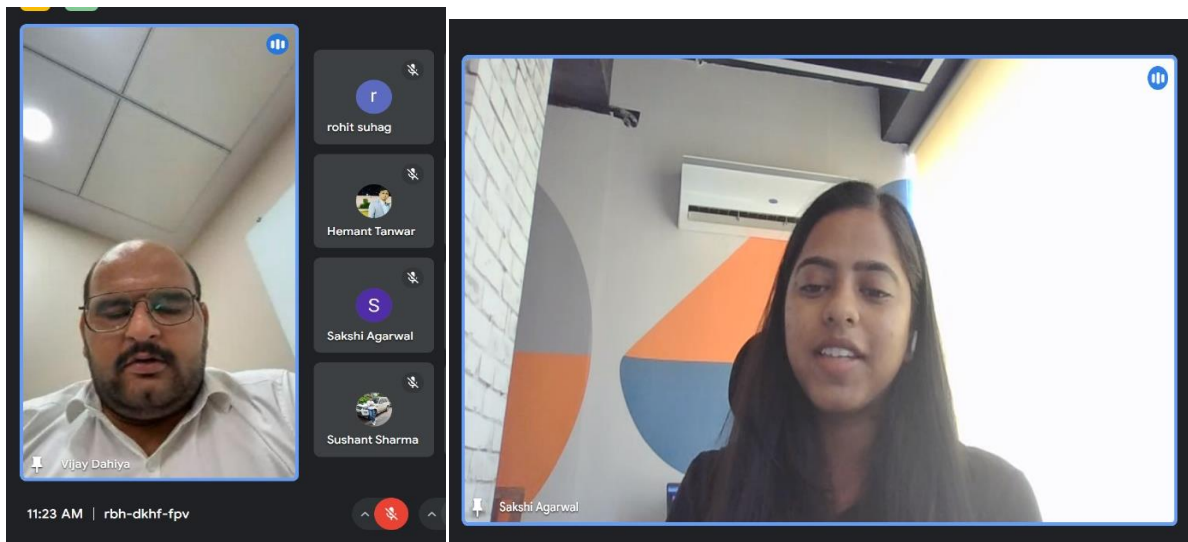

#### **Objectives:**

- To encourage the students for the development of their entrepreneurship skills and self-employment.
- To provide an insight to the students about the learning experiences of the Alumni.
- To encourage and nurture the interaction between Alumni and the institute for mutual benefit.
- To guide the students for professional development and higher education.

#### **Conclusion:**

The session was very interactive and students learned a lot about how to go about preparing for the placements and achieving their career objectives. The session enabled the students to identify the skills needed for the different career options available and prepare for placement sessions. The aim of the talk was also to provide an insight about the learning experiences of the alumni during university period.
